**NABIS' Farewell to
GINNY GILLEN**

A late afternoon Come and Go was held Feb 21 to honour NABIS' departing Executive Director, Ginny Gillen. Members, clients, funders, friends and professionals in the community gathered to wish Ginny well in her new life at Veterans' Affairs. Ginny joined NABIS in 1998 as a Support Facilitator. She has ably served as Executive Director since 2000. Many expressed that Ginny has been a bright shining light to those facing darkness. All truly treasure her sense of humour, her kindness and her leadership.
